Mr. Ed Johnson
Quality Information Systems
Atlanta, GA

Dear Ed,

I just wanted to thank you again for the wonderful job you did helping us with the Enterprise Data Model for GTC. Your professionalism, experience, knowledge, and methods were all top-notch and exceeded our expectations.

We are well on our way to developing a more strategic and flexible data model that will be vital to my team in support of our customers future technology needs.

I wish you the best of luck in your future endeavors. If I can ever be of service to you please do not hesitate to call. I will certainly call you if we ever need your expertise again!

Respectfully,

Michael Porter
